Dear East Redbird Families,

We would like to ask for your participation in the Illinois 5Essentials Parent Survey. This survey is designed to generate a detailed picture of the inner workings of our school. As a parent, this opportunity will allow you to share your thoughts on the important elements of school effectiveness.

On behalf of the Illinois State Board of Education, the 5Essentials Survey will be administered online by UChicago Impact at the University of Chicago. The survey gathers data related to five indicators that can predict important student outcomes, including improved attendance and larger test score gains. These five indicators that affect and predict school success are:

- Effective Leaders
- Collaborative Teachers
- Involved Families
- Supportive Environments
- Ambitious Instruction

Your participation in this survey will help us understand the conditions at our school and guide improvement. Your identity and survey responses will be kept confidential and will never be connected to you or your child.

The Illinois 5Essentials Survey will be conducted through April 2, 2021. To take the survey please visit [https://survey.5-essentials.org/illinois/?target\\_name=parent](https://survey.5-essentials.org/illinois/?target_name=parent). You will find our school by typing East Elem School-Alton.

Sincerely,

*Mrs. Lanea DeConcini*
