If you have any questions, you may contact Ms. Herring, our building coordinator via email: jherring@altonschools.org.

Young Authors

Our District Young Authors celebration will be held on March 6. All books are due to Mrs. Stevenson (kastevenson@altonschools.org), Ms. Hellemeyer (shellemeyer@altonschools.org) or Mrs. Cowan (scowan@altonschools.org) by January 26. If you are interested in your child participating please contact any of the building representatives.

Attendance

Attendance in school is so important. Students who miss two days per month can be considered "chronic truant". Try setting a goal to improve attendance second semester. This can be a great way to keep both you and your child on track and excited about coming to school. If they missed two days a month first semester, set a goal of missing one or less. You can celebrate a victory each time you meet your goal!

Transportation Changes

Anytime you need to make a change in transportation, please contact the main office at 463-2130. To ensure the safety of our students, family members will be required to contact the school before 11:00 am to make a change to their child's transportation for the school day. Should families encounter an unexpected emergency after this time on a given day, please call the school to discuss other transportation arrangements. Thanks for understanding as we work to ensure the safest dismissal and transportation process possible.

Morning Procedures

Please remember that parent drop-off begins at 7:30 am through the gym lobby doors. Please note that the doors will be closed promptly at 8:00 am. If your child is dropped off after 8:00 am, please drop them at the main lobby doors. If your child is going to eat breakfast at school they need to be here by 7:55 am.

Parent Pick-Up

Parents picking up students by car will receive a hang tag that is numbered and corresponds with the name(s) of child(ren) being picked up. After school, parents and guardians will need to pull around to the back of the building for parent pick-up. Please do not arrive **prior to 1:45 pm**. Please remain in your car and pull up to the door, which is located toward the building side of the second parking lot. Please wait in line until your child(ren) is escorted to your vehicle by the supervisor on duty. Additional hang tags can be requested if you would like to give permission to someone to pick up your child from school.

Recycling Initiatives

East Elementary collects many items for recycling as part of our Madison County Green Schools initiatives. All of these initiatives not only benefit our environment, but they are separate contests that we compete in throughout the year! Please consider donating to help our school and our environment! We will be collecting paper, plastic bags, and new/gently used shoes. Please just send them with your child and there will be bins to place them in our gym lobby. You can also drop them off at our main office. Thanks for your support.

District Procedures for Winter Weather Conditions

Weather conditions can change rapidly in the winter months. When the weather is potentially threatening, Alton administrators constantly monitor the forecasts, conditions of roads, and conditions of sidewalks and parking lots. With this in mind, we would like to provide you with information on district procedures in the event of school closures or early dismissals due to inclement weather. In the event that local weather conditions deteriorate rapidly during the school day, the District may be forced to dismiss early in the best interest and safety of our children.

Early Dismissal Schedule

East will release at 12:25

Notification procedures are as follows: Parents receive an automatic phone dialer, an email notification will be sent, and notifications will be posted on the district website.

Delayed Start Schedule

East Elementary will have attendance from 10:00 am - 2:25 pm

Remote Learning Day

When we know in advance of potentially threatening forecasts we will make sure that materials are sent home the previous school day. Students will work remotely for the day.

Emergency School Closing

In the event that the Alton School District elects to close schools for the day due to poor weather, information will be provided through the following means: automatic phone dialer, email, posting to the district website, social media posts, and local media including WBGZ - 1570 AM, KMOX Radio - 1120 AM, KMOV Channel 4, KSDK Channel 5, and Fox 2 Now.

As a final reminder, please contact our East office if you need to update contact information such as phone numbers, emergency contacts, and or email addresses. Having the correct contact information on file will ensure that you receive prompt notifications during these events.

January Character Trait Word of the Month: Self-Motivation

Each month your child/ren will be learning about a character trait that we believe is essential to being a good citizen in our society. We suggest you take time to discuss this trait so that they learn it is important both inside and outside of the school setting. Every Wednesday morning, from 8:15-8:40, your child(ren) will take part in Social Emotional Learning lessons within their classroom. During these lessons, teachers will focus on the Character Trait of the Month.

Arbor Management - District Food Service

- [January Breakfast Menu](#)
- [January Lunch Menu](#)
- [Food Allergy Form for Doctors](#) to fill out - We have a new food service provider this year, so if your child has any food allergies they ask that you have your child's doctor fill out this form for their system.
